### PROPRIETARY CERTIFICATE

This is to certify that **contrast media Injector CT motion XD 8000, its accessories, spare parts and disposables** are proprietary products of **Ulrich GmbH & Co. KG, Buchbrunnenweg 12, 89081 Ulm, Germany** and these products being manufactured by Ulrich Medical are compliant for use with all CT scanner systems currently available in the market.

Ulrich GmbH & Co. KG, Buchbrunnenweg 12, 89081 Ulm, Germany, is manufacturer and supplier of triple head syringeless contrast media injectors for CT and MRI. We hereby confirm that the pump hose and the patient tubing (with dual check valves) are proprietary products of ulrich GmbH & Co. KG. No other company produces, certified as original disposable, similar tubes for use with ulrich medical injectors globally. In anyways we require original disposables to be used for best, safe and efficient use of ulrich medial contrast media injectors. The use of third-party disposables can cause damage to the injector and to the patient and will also cause the loss of product warranty as a consequence.

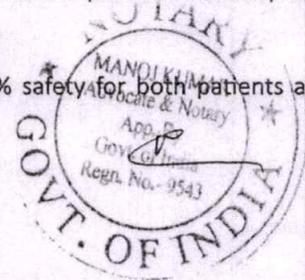

Only the use of original products of ulrich medical guarantees 100% safety for both patients and hospital staff and reliable, exact functioning of the injector system.

For any questions please do not hesitate to contact us anytime.

Best regards.
